**YOUR EXCLUSIVE EVENT
IN THE STYLE OF THE 20S!**

THE SHOW

The 1920's in the United States of America. Prohibition.

A back room. A door. A bar. And what a bar!

Cool music is playing, people are laughing, the waiters are busily serving, and the alcohol is flowing. The bartenders are mixing cocktails, and the 'lady of the house' has everything firmly under her control. To entertain the guests, she occasionally steps up to the microphone and sings.

Long-forgotten creations and typical speakeasy drinks will thereby be brought back to life. Every single drink has a story to tell and harbours many a previously unknown secret. The lady of the house knows them all.

The room lights dim and 8 magicians appear to amaze the guests with sleight of hand tricks, close-up magic and mental magic directly at their tables. EIGHT magicians, TWO hours full of illusions and amazement. Up close – without a safety net or smoke and mirrors.

After the magicians show the evening then culminates in a hot jazz concert and cool drinks. Lively, animated and in a good mood, the guests are then released into the night, enthused with the beguiling glamour of the 1920s.

Lean back, immerse yourself and enjoy.

Experience a journey through time with magic, music, singing & drinks and follow us into the crazy and forbidden world of the 20s!
